

# INSTALLATION

---

## WARNING!

1. Treat the firearm as if it is loaded at all times. Keep the muzzle pointed in a safe direction. Confirm the firearm is unloaded.
2. Reference the NSSF rules of firearms safety at <https://www.nssf.org>
3. Remove the existing handguard using the instructions in the Desert Tech MDR/MDRX owners manual.
4. Install the BLK LBL MDRX Handguard on the MDR/MDRX rifle by sliding it over the barrel assembly, Desert Tech Logo end first, with the top rail at the 12 o'clock position
5. Push the captured handguard take down pin through from the left side to the right side of the MDR/MDRX receiver until it snaps in position, flush on each side.
6. Tighten the handguard retention screws with a torque wrench using a T25 driver to 30 in/lb.

# LIFETIME WARRANTY

---

We want our customers to be happy so our lifetime warranty is simple; if your BLK LBL handguard is defective or ever fails due to quality or workmanship just return it to us and we will fix it or replace it. Obviously we cannot cover negligent or abusive use of our product, but if you happen to drive over it with your truck or drop it off a cliff, send it to us and we will do our best to fix it for a reasonable cost. Our warranty, of course, only covers the BLK LBL handguard and not any accessories mounted to it nor the firearm to which it is mounted.

Please direct all warranty claims to [info@blklblbipod.com](mailto:info@blklblbipod.com)

Height: 73mm / 2.9 in

	Weight:	Length:
9in	242g / 8.5oz	227mm / 9.0in
13in	344g / 12.1oz	330mm / 13.0in

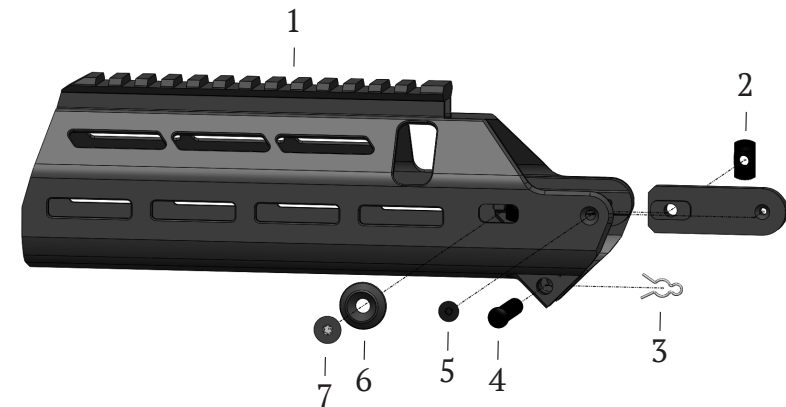

## MAINTENANCE

### PROTECTION

Built with anodized and nitrided parts, the BLK LBL handguard can withstand most environmental conditions. However only proper care can keep your handguard in good operating condition and maintain it's appearance.

### CLEANING

Clean as you would your rifle. Never use corrosive cleaning products as these can severely damage the aluminum.

### Major Parts (Replacable)

1. Handguard
2. Connection Nut
3. C-clip
4. Takedown Pin
5. Assembly Screw
6. Washer
7. Main Connection Screw
